

# A SACRED CHOICE

CHURCH FUNERALS LLC

*Every person, from the most privileged to the least fortunate should be able to have a service that places each of us equal in the sight of God.*

Those of us at A Sacred Choice have the utmost respect and thankfulness for the men and women who serve our Country.

We especially hold in high esteem those who are veterans. You are not forgotten!

We are thankful for the Michael E. DeBakey VA Medical Center and the treatment they provide.

We want to assist veterans in their time of need as well.

To make a difference and show our thanks, we have a specially priced service that is very inexpensive.

We charge a very low flat fee that has been discounted for veterans and all of the services and merchandise are provided to you at our cost, with no profit taken by our funeral home.

We are a full service funeral home specializing in cremation as well as traditional church funerals, memorial services, gravesides, celebrations of life, and inurnments
